Leif,

As a follow-up to our discussion, here are Carrie's views

Ex. 5 AC/DP

I'll review Kavita's write-up before we send it to Simma this afternoon.

Also, it looks like David F's scheduler is out until tomorrow so the meeting/call likely won't be scheduled until then.

Thanks,

Matt

Hi all,

See Carrie's response below. David's scheduler is out till tomorrow, so I'm guessing the meeting won't be scheduled until then. In the meantime, I will start throwing together an options paper.

Matt and/or Kavitha, would you be willing to briefly articulate the interpretation you described over the phone regarding Ex. 5 AC/DP I will not be finalizing the briefing paper until next Monday (unless the briefing is scheduled for then) so any time until then is fine.

Thanks,

Right, that's an interesting provision. I've not seen that in any other state program.

Ex. 5 AC/DP

Since we are going to brief David, and likely Matt sometime soon, might be good to start on a briefing paper with some options.

Thanks.

Carrie
